Special Counselor Instructions (if any):

Special things to consider when taking college courses for EHS credit:

- Even if you use a voucher **you are still responsible for costs** including books, lab fees, and any other non-tuition fees.
- Colleges to which you apply after high school may or may not accept this course for meeting prerequisites.
- NCAA may or may not accept this course for eligibility.
- All college courses will appear on the EHS transcript with a grade of P (pass), F (fail), or W (withdrawn).
- You are working INDEPENDENTLY. The teacher in the course you select is your contact for help and direction. No one at EHS can help you with an outside credit course!
